

## Abstrakt

Soubor je o otci, který měl sen. Jít do důchodu, postavit si na zahradě chatičku a tam spokojeně dožít. celý život pracoval a čekal až půjde do důchodu a toto si splní. Do důchodu odešel v březnu, v červnu mu diagnostikovali rakovinu slinivky, v srpnu zemřel. Sen si nesplnil. Proto apeluji na lidi, aby na nic nečekali, protože nemusí mít dost čas

## Abstract

The file is about a father who had a dream. Retire, build a cottage in the garden and live happily there. he worked all his life waiting to retire and accomplish this. He retired in March, was diagnosed with pancreatic cancer in June, and died in August. You didn't fulfill your dream. That's why I appeal to people not to wait for anything, because they may not have enough time
